## FAMILY EXPRESSIONS: DAN, DANNY & JOHN MCCAW

January 19 - 31, 2015

**Scottsdale, Arizona-** Every year, January marks the beginning of premier events from thoroughbreds to classic cars and yachts. Trailside Galleries has its own valuable line in the development of its focus: fine art. Dan McCaw is world class, recognized for his contributions to fine art. Amazingly, joining their father in that same field with ever-increasing popularity and success are his two sons, John McCaw and Danny McCaw. Dan McCaw works are highly sought after and treasured by collectors around the globe. His comfort in style and form using various mediums with incredible dexterity simply fascinates even the most sophisticated collector.

As we have watched the growth and maturity of both John and Danny each with their own techniques and style we can only feel the pleasure of knowing that the McCaw family legacy will be fulfilled by the hard work and dedication of these three fine artists. Thus, happily the month of January kicks off Trailside's busy show calendar with the McCaw triumvirate of Dan, John and Danny in the combined exhibition "Family Expressions" on January 19, 2015. This truly represents a must see opportunity for collectors of Modern, Abstract and Impressionists works.
